Update on Events

Dear Golden Age Society Members

A number of items have come to my attention that I wanted to share with you before the luncheon on Monday, January 20, 2025.

- Monday, January 20. Please plan on attending the luncheon. Only \$10.00 or \$15.00 at the door. Chef Neil and crew need to know how many people they are cooking for.
- Dawson Bus Trip. Unfortunately, not enough people are interested in going on this bus trip to Dawson City on the May longweekend. Only 11 members have signed up for this trip so far. We have crunched the numbers and a minimum of 40 people are needed to make this trip financially possible. If 40 people do not sign up by February 15, 2025, we will have to cancel the entire trip. Refunds will be available to those who have already paid the \$40.00 deposit should the trip be cancelled.
- Amalgamation of the three senior organizations is still a real possibility. As part of the process a new committee has been struck with representation of all three organizations. We already have one volunteer board member who is on the committee and it would be absolutely great if a non board GAS member, like you, would also volunteer to be on this committee.
- This is just a reminder to mark your calendar for the AGM on March 10, 2025. The AGM is where you will be electing the members of the board of directors. It is also your opportunity to become a board member or director. Your society cannot operate without directors.

Your board of directors are looking forward to seeing more of you at the center and remember that coffee and chat happens every Friday.

President, GAS

Duncan Miller
